mozilla's commitment *for 2012*

build a generation of web makers

mozilla

definition:

a **web maker** is
anyone who makes
things using the
open ethos and
building blocks
of the web

mozilla

this is
my son
ethan

mozilla

he likes to
make things
with lego

mozilla

mozilla wants
ethan to know
the web is
like lego

mozilla

you can build anything with the web

mozilla

mozilla wants
make ethan into
a web maker

mozilla

why?

mozilla

why? we think we can

move millions of (not techy) people
from using the web to making the web

where to start?

invite kids to tinker.

but why would kids care?

mozilla

mozilla

it's not about programming.

mozilla

it's about passion.

mozilla

but what can passion **teach**?

Mr. Hilliard's childhood home is one of the most important sites from the formative years of the Black Panther Party. This is where the leaders of the party first joined together and implemented a movement that would soon become strong enough to lead a demographic to new heights.
